This depends on the purchase price of your property. You can calculate the amount you will need to pay by using HMRC's website or if the property is located in Wales by using the Welsh Revenue Authority's website <https://beta.gov.wales/welsh-revenue-authority>

How long will my house purchase take?

How long it will take from your offer being accepted until you can move into your house will depend on a number of factors. The average process takes between 6 to 12 weeks.

It can be quicker or slower, depending on the parties in the chain. If there is no chain and you are not purchasing with a mortgage the process can be quicker. If you are purchasing a new build property with a mortgage in principle, it could take 6-9 months depending upon the build process which is beyond our control. However, if you are buying a leasehold property that requires an extension of the lease, this can take significantly longer. In such a situation, additional charges would apply.

Stages of the process

The precise stages involved in the purchase of a residential property vary according to the circumstances. However, below are some key stages included:-

- Take your instructions and give you initial advice
- Check finances are in place to fund purchase and contact lender's solicitors if needed
- Receive and advise on contract documents
- Carry out searches
- Obtain further planning documentation if required
- Make any necessary enquiries of seller's solicitor
- Give you advice on all documents and information received
- Go through conditions of mortgage offer with you
- Send final contract to you for signature
- Agree completion date (date from which you own the property)
- Exchange contracts and notify you that this has happened
- Arrange for all monies needed to be received from lender and you
- Complete purchase
- Deal with payment of Stamp Duty/Land Tax
- Deal with application for registration at Land Registry

Our fee assumes that:

This is a standard transaction and that no unforeseen matters arise including for example (but not limited to) a defect in title which requires remedying prior to completion, the transaction is concluded in a timely manner and no unforeseen complications arise. That all parties to the transaction are co-operative and there is no unreasonable delay from third parties providing documentation. That no indemnity policies are required. Additional disbursements may apply if indemnity policies are required.

In the event that the property is **leasehold** then separate charges will apply.

Probate

Obtaining a Grant of Probate or Letters of Administration Only

If you would like to carry out the most of the administration of the estate, you might wish to instruct us to obtain a Grant of Probate or Grant of Letters of Administration only for you.

The exact cost will depend on the individual circumstances of the matter. Our charges would usually be between £600 to £1,200 plus VAT, plus expenses. These expenses will commonly be a Probate Registry Fee of £273 plus £1.50 for each copy of the probate you require. Please also note there is a £20 plus VAT (£4.00) electronic ID check charge per executor/administrator and each beneficiary.

Because costs can vary we offer a **free** first appointment to discuss your requirements.

- Complete the Probate application paperwork and meet with you again to sign the documents
- Make the application to the Probate Registry
- Obtain the Probate and send to you
- On average, obtaining the grant of probate takes 3-6 months.

- ii. You let us have an original death certificate

If you request us to carry out additional work, we will agree additional charges with you. These are normally calculated based on the time spent working on your instructions at the hourly rate of the person(s) acting on your behalf. We would provide you with an estimate before undertaking such work.

Administration of an Estate

If you would like a more comprehensive service where we assist in all aspects of the estate administration, we would agree a fee on an individual basis once the extent and the nature of the assets of the estate have been identified and you have confirmed instructions of the level of work you wish us to carry out on your behalf.

There are two elements to the fee that we may charge. The first is calculated by reference to time spent working on the estate and the second part by reference to the value of the estate (which may or may not be included).

For the above reasons, the fee varies greatly. We therefore offer a **free** first appointment to discuss your requirements.

As an indication for estates where the gross value of the estate does not exceed £75,000 plus VAT our fees would be in the region of £1,500 plus VAT plus expenses. For estates in excess of this then the fees normally vary between 1% - 3% of the value estate but are based on time spent. In addition, a value element may be charged.

As part of our fee we will:

- All work will be carried out by or under the supervision of an experienced solicitor. We will meet with you to take your instructions including identify the legally appointed executors or persons entitled to take out the probate based on your family information. In some case we will instruct a genealogist. Agree with you what work we will undertake and what work you will undertake.
- Consider papers supplied by you in relation to the actual or potential assets and liabilities of the estate.
- Contact instructions with whom an asset or liability may be held or owed and obtain their confirmation and details of papers required to be completed.
- Prepare the Probate application paperwork and any inheritance Tax accounts required by HMRC. Claim any inheritance Tax allowances available and calculate the amount of inheritance Tax due. Meet with you to complete the paperwork and provide an update regarding the administration of the estate.

- Collect all assets in the estate and settle liabilities.
- Distribute pecuniary and specific legacies

- Probate Registry fees of £273 to obtain the Grant plus £1.50 for each sealed copy of the Grant you require.
- Inheritance Tax which in general terms is charged at the rate of 40% upon the net estate for Inheritance Tax purposes after deduction of available tax allowances.
